

KNOW The FACTS...

...Because Bad Things Happen When We Don't!!!

FACT #6

MOST MEN WITH POLITICAL ASPIRATIONS... Aren't Going to **ALLOW ACCUSATIONS** of Being A **Sexual Predator** (& Then Be **FIRED** as a Result) go **Unanswered...WITHOUT PUBLICALLY Defending Themselves...Unless There's GUILT!!!**

FACT #7

DESPITE Providing Carolyn Evans-Shabazz, District D City Council Member, **CLEAR EVIDENCE** of **TEA's INVESTIGATION** that **PROVED** Lloyd Ford's Sexual Predation was **NOT** an Allegation, She did **NOTHING** to Assist & Support Community Efforts to Protect Worthing High School's **800+** Students.

FACT #8

Alexandria Gregoire, Worthing High School Principal, Did **Not Follow Up with ALL Staff and Educators** about an Alleged (Eventually **Actual**) Sexual Predator on Campus to not **ONLY Learn More about What THEY KNEW,** but to **INCLUDE THEM** in a Proper Investigation.

FACT #9

HISD, After Being Informed of Lloyd Ford's Criminal Behavior (**BEFORE & AFTER** Proof), Did **NOTHING** to **ASSIST** and/or **WORK WITH** Community Leadership, Organizations or Partners to More Thoroughly Determine How Many Worthing High School Students Were **Targeted & Preyed Upon.**

FACT #10

If **ANY ONE** of the Above Authorities Took Seriously the **PROTECTION** of the **Spirits, Minds and Bodies** of the **800+ Students** @ Worthing HS, this Crime Could Have Been Prevented and a **PROVEN SEXUAL PREDATOR** Would **NOT** be **BACK** in the Community as if Nothing Ever Happened.
