Preparing our youth for a job within/for an enemy system, isn't going to help...in the long term. Our youth **MUST BE EDUCATED** to **FULLY UNDERSTAND** that they live in an enemy system that is 100% committed to exploiting their spirits, minds and bodies!!!

IF YOU'RE CONCERNED ABOUT how we  
SUFFICIENTLY EDUCATE & PREPARE the  
NEXT generation for the realities of what it  
means to be a Melanated, Afrikan Descendent  
in Amerikkka, this program is for YOUR Child!
